PROFESSIONAL SUMMARY

I am eager to start my career by applying my skills in Java, HTML5, CSS3, Bootstrap5, JavaScript, MySQL,React in a real-world setting. My experience developing a Foods Eatery website ,EMS system , Amazon Clone Web Page, Pglife web page and several related trainings and workshops has given me a practical understanding of how technology can solve business problems. I am looking for an opportunity where I can continue learning, contribute to the team, and grow along with the organization.
